

SAMUELE SPINETTI

JUNIOR FULL STACK WEB DEVELOPER

WORK EXPERIENCE

FULL STACK WEB DEVELOPER BOOTCAMP

ISDI Corders | Barcelona, Spain | June 2024 - September 2024

Key Responsibilities:

- Collaborated with a diverse team of developers to build and deploy web applications using modern technologies including JavaScript, React, Node.js, Express, and MongoDB. Worked in Agile development sprints, participating in daily standups, code reviews, and peer programming.
- Designed and implemented responsive front-end features and back-end API services, enhancing team collaboration and optimizing project workflows.
- Created and deployed scalable RESTful APIs, integrated third-party services, and managed cloud deployment.
- Developed problem-solving and debugging skills, working in dynamic, deadline-driven environments to solve complex technical challenges.
- Participated in group projects simulating real-world client scenarios, enhancing teamwork, communication, and project management skills.

SOCIAL MEDIA CONTENT MODERATOR

Telus International | Barcelona, Spain | 2020 - 2024

Key Responsibilities:

- Review and moderate user-generated content across social media platforms.
- Analyze trends and patterns to improve content moderation processes.
- Provide customer support and resolve client issues.
- Achieve and monitor KPIs to ensure high-quality service delivery.

PROJECTS

QUEERCARE (CAPSTONE PROJECT)

A mobile app aimed at providing healthcare resources and information to LGBTQ+ individuals.

- Built using React.js for the frontend and Express.js for the backend.
- Integrated a secure user authentication system with JWT.
- Implemented dynamic map features using Leaflet and integrated with OpenStreetMap API.
- Focused on accessibility and user experience with Tailwind CSS.
- A full-stack application that fetches and displays news articles using a third-party API.
- Implemented pagination, search functionality, and user preferences.

EDUCACIÓN

Full Stack Web Development Bootcamp
